Bunkhouse Available For Base Camp Projects

Samaek Fabricators has undertaken various Base Camp Projects. We have provided a complete camp to our client on a built, own and operate on lease basis. The camp is for 80 persons. This has a complete facility like Accommodation, Common Toilet/Bathroom, Pump room with Pneumatic pump, 2 generator Sets of 250 KVA each, Laundry room with Laundromat and dryer, Kitchen, Bakery , Storage Unit, Prayer Room, Chiller Unit, Freezer Unit, Mess Unit and Recreation room.

The whole camp consists of 27 Bunk Houses. These are completely manufactured by us at our facility in Mehsana, Gujarat. In view of above, we are confident of taking order of a larger quantities and providing complete Infrastructure facilities. Our proximity to being based in Mehsana gives us leeway to attend our client more promptly and even communicate and understand them better. Hence, in any eventuality we are always with our customers – 24 hrs-7 days a week – 365 days a year. This is precisely the need of the Oil Industry.

We have already sold one main camp and one rig camp to our client John Energy International DMCC, UAE with cost \$ 8,50,653/- US Dollar in month September 2014 for their International project. This camp was including with Skid Mounted 6 Men Accommodation Unit , Skid Mounted Dish Washer Cum Vegetable Chopping Unit , Skid Mounted Senior & Junior Mess Unit , Skid Mounted Mess Cum Recreation Unit , Skid Mounted Prayer Room , Skid Mounted Security Unit , Skid Mounted HSE Office Cum Conference Unit , Skid Mountain Kitchen Unit, Skid Mountain Junior Mess Unit , Skid Mountain Senior Mess Unit , Skid Mountain Junior Recreation Bunkhouse, Skid Mounted Bakery Unit , Skid Mountain Laundry Unit, Skid Mountain Clinic cum Doctor accommodation Bunk houses, Skid Mountain Common Toilet & Bathroom Bunkhouse, Skid Mountain Pneumatic Pressure Pump with Water Treatment System Bunkhouse, Skid Mountain Dry Store with Chiller Room Bunkhouse, Skid Mountain HSD Tank 40KL With Filter Pump & Dispenser , Skid Mounted Fire Water Tank 30KL With Pump , Skid Mounted Raw Water Tank 20KL With Filter & Hyd.
